Dear [Hiring Manager's Name],

You must be receiving floods of resumes for the role of dfsdf. So, I will cut short. I believe I would be a great fit for the dfsdfposition at [Company Name]. Here's what makes me confident I can pull this off.

I've recently finished my internship at [Company Name] [Department Name]. This experience was incredibly valuable, as it helped me kick off my career in dfsdf in three different fields:

I've further developed my sdfsdfa and dfadfsdf I learned during my [Education field] at [University Name]. I also contributed to the [Project/Responsibility] that allowed us to [Improvements]. Furthermore, I assisted the department lead and provided material for [Project/Responsibility].

The reason why I consider the above a defining experience for me is the results I was able to achieve. skill three helped me to [improvement] by [30%].

Additionally, my work at [Previous Company Name] helped me gain first-hand experience in Innovation, Management and Management.

Above all requirements, I believe you are looking for a capable person who can address challenging tasks such as Biggest Chalange. I can fulfil this expectation, because sdfa

Could we grab a coffee and have a chat about how do you see a next job develop into an integral part of the [Company Name]'s team?

Best Regards,
sdfadf, dfsdf
